

# PRIYANK JITUBHAI VALA

## Automation Engineer

✉ priyankvala44@gmail.com    ☎ 9601450017    📍 Ahmedabad    📅 22/01/2003  
🌐 [www.linkedin.com/in/priyank-vala-b476b9246](https://www.linkedin.com/in/priyank-vala-b476b9246)

### PROFILE

“Instrumentation and Control Engineering graduate with hands-on industry experience as an Automation Engineer, currently working on PLC programming, SCADA systems, HMI design, and Drive testing and commissioning. Skilled in developing and implementing industrial automation solutions, troubleshooting control systems, and optimizing machine performance. Passionate about applying technical knowledge to improve process efficiency and contribute to smart manufacturing systems through innovative automation.”

### PROFESSIONAL EXPERIENCE

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                         |

- Supported R&D and quality assurance teams in maintaining **instrument reliability and measurement accuracy**.
- Developed a strong understanding of **instrument standards, tolerances, and calibration protocols** for industrial applications.

## SKILLS

### PLC Programming

Siemens Tia portal V19, Step 7 Micro-win  
S7-200/300, S7-1200, 1500 PLC Series

### SCADA Design

Zenon 21CFR

### HMI Design

HNC HT Cloud Designer, Weintek EasyBuilder Pro, KTP700 Basic, MTP 700/1000 Unified Basic/ Comfort HMI Panel

### Drive Testing &

### Commissioning (VFD)

SINAMICS S-120/ S-200, V- Assistant (Servo Drives) V90 V20, G120 Drives

## LANGUAGES

• ENGLISH

• HINDI

• GUJARATI

## CERTIFICATES

### Progy System and Technology-Ahmedabad

Automation Workshop (PLC, HMI)

### Alpha Tech Automation-Ahmedabad

Automation Workshop

## EDUCATION

### 10TH NALANDA SCHOOL

SSC 10TH

MARCH-2018

(78.17%)

### 12TH SOMNATH ACADEMY

HSC 12TH

MARCH-2020

(46.33%)

### GOVERNMENT ENGINEERING COLLEGE -GANDHINAGAR

B.E (IC) INSTRUMENTATION & CONTROL MAY 2025

CGPA-7.18

## HOBBY

• TRAVELLING

• PHOTOGRAPHY

• SPORTS

## PROJECTS

### **Unicorn Blister Packaging Machine**

*Pharma Automation*

IO Testing, Siemens MTP 1000 HMI Design, Zenon SCADA (21CFR) Design

### **Max 300 Blister Tablet Packaging Machine**

*Pharma Automation*

Siemens MTP 700 Basic HMI Designer, PLC 1200 Basic Programming.

SINAMICS V20 /S-200 PTI (VFD Drive – Parameterization & Commissioning)

### **GYPSUM RECYCLING PLANT-UAE**

Siemens KTP700 Basic HMI Design , PLC 1200 Basic Programming.

**G120C** Drive testing and commissioning

### **3-Axis Intelligent Drum Filling System**

Siemens PLC: **S7-1500 (CPU 1511-1 PN)** , HMI: **MTP 1000 Unified Comfort**,

Drive System: **S120 (CU320-2) PN** ,Motion Control: 3-Axis (X, Y, Z) Positioning System

Basic PLC programming, motion control, HMI development.
